

Level 6 Values Worksheet Instructions

Oxford Discover encourages young learners to look at big questions, think critically, and communicate effectively. The Oxford Discover Values Worksheets connect content from the course with personal and social development topics. Teaching values increases children's awareness of good behavior and helps them to understand how their behavior and attitudes affect others. These worksheets are meant to be used after the students have completed each two-unit Big Question section. The activities use language and concepts from each section.

Values Worksheet 1: Be Prepared

A Remind students that they read about people who built a bridge over a river in order to learn about people from the other side in *The Earthworm and The Spider*, pages 10–11. In this activity, students look at the picture. Then they read each sentence and the answer choices. Lastly, Students circle the word or words that best complete each sentence.

Answer Key:

1. going to be
2. knew
3. be studying
4. will be waking

B Students think about how they prepare for their own exams and write their ideas in a paragraph. Then they can share their answers with a partner.

Answer Key:

Answers will vary.

Values Worksheet 2: Respect Nature

A Remind students that they read about Pliny sailing toward the volcano in *The Secret of Vesuvius*, pages 38–39. In this activity, students look at a picture that shows the aftermath of an earthquake. Then they read the word choices and the sentences. Students choose the correct word to fill in each blank.

Answer Key:

1. crust
2. collide
3. geologist
4. debris
5. gradually

B Students read the beginning of a conversation. Then they write four new sentences to continue the conversation. Lastly, students can act out their dialogues with a partner.
